How does it work?

What is EB-3?

Obtain your USA Green Card via labor certificate

- The EB-3 Visa Program makes it easier for foreign workers to receive the "Green Card" permanent residence card from the American government.

Industries with proven shortages.

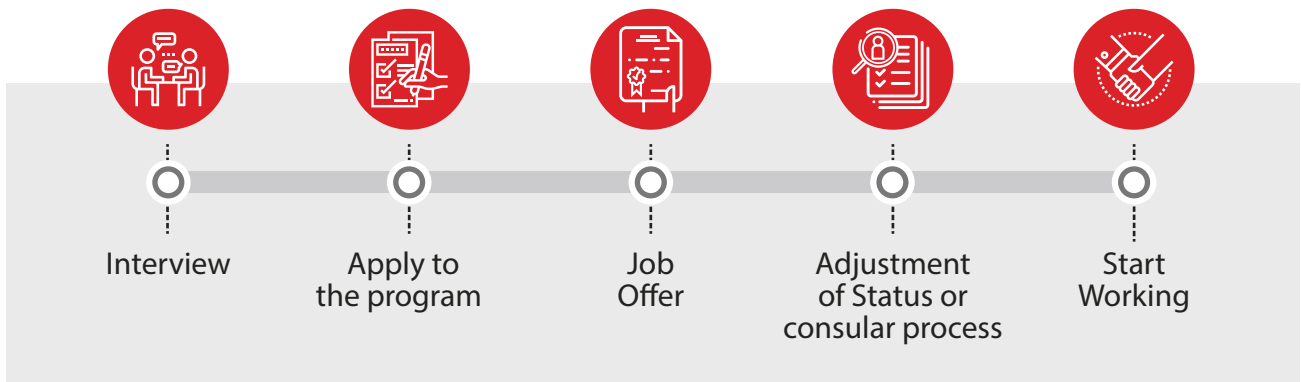

The United States is looking for people like you, to make up for the labor shortage that affects some industries.

Since 1990 the Immigration law in the United States has allowed US companies to sponsor foreigners who are willing and qualified to work in low-demand positions, such as food and beverage services.

It is an easy and **fast process**

In a time frame of approximately 18 to 24 months, it will allow you to obtain your permanent resident card.

20 Months Projected time
for an employee to obtain their Green Card

Why this is a win-win situation for employees and employers?

You get your Green Card and the sponsor obtain a quality employee for at minimum of 1 year

EB-3 other workers

After 5 years as a permanent resident you will be able to apply for your American Citizenship.
